

Sodium nitrate

Trade Name: Sodium nitrate
Chemical Name: Sodium nitrate
CAS: 7631-99-4
EC: 231-554-3
Synonyms: Nitric acid sodium salt
Molecular Formula: NaNO_3
Molecular Weight: 84.995
Characteristics: colourless crystals, hygroscopic

Storage

Store in a dry place, in original packaging. Do not store on wooden floors.
Protect the packaging from damage and radiant heat.
Store separately from combustible materials.
